REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The amendment filed 11 July 2005 is sufficient to overcome the rejections under 35 USC 112, first paragraph, 35 USC 102 and 35 USC 103(a). The only remaining rejection is the provisional rejection for obviousness-type double patenting over US Application No. 10/237,567. Since the '567 application is not in condition for allowance, the provisional rejection in this application is withdrawn as per MPEP 804, section B.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
